Support Women and Girls in  
Nigeria Through Monthly Giving

# WHO WE ARE

**The Grace Agbonlahor Foundation (GAF) is a Nigerian non-profit organisation dedicated to empowering women and girls through education, entrepreneurship, healthcare, and advocacy.**

Rooted in the legacy of Madam Grace Agbonlahor, we are building a future where women and girls can thrive as leaders, change agents, and contributors to national development.

# What Is the Impact Hive?

The Impact Hive is GAF's monthly giving community.

It brings together individuals from around the world who believe in consistent, meaningful giving. Monthly support enables us to sustain our programmes, plan long-term, and reach more women and girls in need - one month at a time.

# Why We Do It

Across Nigeria, many women and girls still face limited access to education, healthcare, and economic opportunities.

---

Too many girls are pushed out of school early.

Women in informal trade often lack access to health insurance or capital.

The voices of young women are underrepresented in civic spaces.

We believe that monthly giving is a powerful tool to close these gaps and sustain progress.
